June 2020

Monthly Theme:

Under the Sea

This month students will be learning about all things related to beach and ocean fun!

International Focus:

Mexico

During the month of June, we will be teaching the children about all the exciting culture of Mexico. They will be learning simple words and phrases in Spanish and eating delicious traditional Mexican foods.

Academic Focus:

Colors- Blue and Green

Shapes- Circle and Oval

Numbers- 5 and 15

Letters- S, V, and T

Opposites- Over and Under

Character Education:

Manners

Using manners to display proper respect and control at a young age helps children form a foundation on which they will build their social skills for the rest of their lives. Reenforcing a child's use of 'Please', 'Thank You', holding open doors, and saying 'Yes, Ma'am' and 'No, Sir' are excellent ways to instill a strong sense of manners in your child.
